Instruction : Read the passage below very carefully, and write the correct answers on your answers on your answer sheet.

PREPARATION FOR FOUNDER’S DAY

Brilliant Nusery and Primary school was preparing for its founder’s day coming up in two weeks.

Primary four pupils had been asked to present a play. The play would portray clearly the qualities of cooperation, i.e sharing, friendliness, support, team spirit, etc. it would also emphasize some of the benefits of cooperation such as harmony and progress

Pupils of primary four were preparing hard. Some of them were busy with the costumes and props, that is, the small objects used by actors. Some boys were preparing the stage while other pupils were practicing songs and dances

While all these activities were going on, three pupils did not participate in any activity. They were whispering and giggling to one another and were playing with grasshoppers.

They kept running after grasshoppers till they got into the brush at the back of the school. One grasshopper escaped into a hole. Relu put one hand into the hole but instead of bringing out the grasshopper, something held tightly to his hand. He shouted, “help me, help me, I am in trouble”. Boti and otofo could not pull Relu’s and out. They ran back to the back to the school for help.
